CALL for PAPERS

91th Conference of CICIND in Madrid
From 8th to 11th May 2019

We would like to invite applications from speakers to present a paper at the next CICIND conference in Madrid. Speakers can be CICIND members or persons involved in the

Civil Construction business

with themes which fit into the wide range of CICIND activities. There is no special emphasis on a theme for this meeting: The whole

“Engineering and Construction of tall structures”

can be covered. Papers dealing with “Life Time Management” are especially welcome.

A total presentation shall not exceed 20 minutes which includes an allowance for a short discussion about the aspects and consequences of the paper. We expect Power Point presentations and the presentation dates will be Thursday 9th May and Friday 10th May 2019.

CICIND will provide a laptop and a projector so that every speaker can download his paper from his memory stick by using the CICIND provided presentation tools.

If you would like to present a paper, please let the Secretary know as soon as possible but please not later than -

End of March 2019

The exact title can be provided now or at a later stage.

If accepted by the Editorial Board of CICIND, your paper will be published in the next CICIND report following the meeting (provided you send the printable version of your paper in time, approx. two weeks ahead of the conference).

Kind regards

**Hermann Hoffmeister
