## VILNIUS

Vilnius – the capital of Lithuania, situated on the banks of the rivers Neris and Vilnia, first time was mentioned in 1323 when Grand Duke Gediminas built a Castle there. Today the tower of this Castle is one of the landmarks and symbols of the city. The old Town of Vilnius is one of the biggest (360 ha) and oldest in Eastern Europe.

The magic atmosphere, the magnificent splendid architectural blend of Gothic, Renaissance, Baroque and Classicism styles makes this wonderful city to explore. In 1994 Vilnius Old Town was included into UNESCO heritage register.

Nowadays Vilnius is a modern European city, a political, economical, cultural, educational, and trade center of the Republic of Lithuania. It is also the largest city in the country with a population of about 550 000.

## TRAKAI

**Trakai Castle**

**Uzutrakio Manor House**

Trakai - the former capital of the Grand Duchy of Lithuania - is a small town located about 28 km from Vilnius. Situated in a picturesque lakeside area it is one of the most popular tourist attractions of the country. The historical part of the town conserved the ruins of Peninsula Castle, the authentic heritage of small ethnic group Karaites and of course the top must see site – the famous insular Castle on the lake, the original gothic style architectural monument from the end of the XIV century, a historical Museum of Trakai nowadays.

Our tour includes a visit to Trakai Castle. After the visit you will have some free time to enjoy the beauty of the nature, buy interesting souvenirs and have a short break before going back to Vilnius.
